## RICHMOND METAL SUPPLY

Tough. Dependable. Long-Lasting.

Few doors in your home get more use  
than your garage door - it truly is the  
biggest door in your house. More than  
any other door, a residential garage  
door needs to work dependably and  
stand up to the elements for years on  
end. Built to meet these challenges -  
and look good doing it.
