2021-2022 Cameron High School FFA Members

A word from the FFA President

This year the Cameron FFA chapter has been very busy returning to our pre-pandemic activities. Last semester we were able to have our freshman orientation ice cream social, FFA week including Ag Olympics, corn hole tournament, Farm safety day, Teacher appreciation breakfast and Barn warming. After a year of being unable to hold most of these events the officer team was very glad to be able to give the chapter a chance to participate in the FFA experience. Our Freshman, Sophomore and Junior classes have all not experienced a full "normal" high school year so bringing back staple events like freshman orientation, and adding new events as in the corn hole tournament was a very high priority for our officer team. We are very excited to see what the rest of the year holds.

TEAMWORK

In School | In Sports | In Life

Teamwork is an important lesson, and it's something kids can learn and practice every day in and out of the classroom. It's up to us to set the example for today's kids by helping one another at home and in the community. Together, we are stronger. Together, we are happier. Together, we are a better team. Good luck to all of our teams this year. We're proud of you!
